## RATTLING GAME IS PROMISED FOR TOMORROW

Ancient City Favorites Coming With Strengthened Line Up Determined to Take the Scalps of the O. R. E. Batters.

### FREE TO ASTHMA SUFFERERS

A New Home Cure That Anyone Can Use Without Discomfort or Loss of Time.  
We have a New Method that cures Asthma, and we want you to try it at our expense. No matter whether your case is of long-standing or recent development, whether it is present as occasional or chronic Asthma, you should send for a free trial of our method. No matter in what climate you live, no matter what your age or occupation, if you are troubled with asthma, our method should relieve you promptly.

We especially want to send it to those apparently hopeless cases where all forms of inhalers, doses, ointments, preparations, fumes, "patent smokes" etc., have failed. We want to show everyone at our own expense, that this new method is designed to end all difficult breathing, all wheezing and all those terrible paroxysms at once and for all time.

This free offer is too important to neglect a single day. Write now and send the method at once. No money. Simply mail coupon below. Do It Today.

**FREE ASTHMA COUPON**  
PIONEER ASTHMA CO., Room  
166 J. Niagara and Hudson Sts.  
Buffalo, N. Y.  
Send free trial of your method to:

Jim Lopez, the veteran and well known pitcher, will be in the box for the Sox, and if he is in good form the Albuquerque batters will have an awful hard problem to solve his delivery, because when Lopez gets started he is a terror to the opposing batters. The White Sox have a new firstbaseman in Greenhood who came to Santa Fe recently from the Western league, where he first made his debut with Pueblo, and after that went to Sioux City. He is a fast fielder, covering lots of ground and is also a very heavy batter. Pujol, the star of St. Michael's college second baseman, has also been signed by Manager Ortiz for the season, and he will cover second for the Sox tomorrow. Pepe Berardinelli, who has been playing second, will cover third, which means that the field will be well fortified.

A large crowd is expected to attend the game, as both teams are very evenly matched and fast.

The White Sox will line up as follows: J. Berardinelli, catcher; Jim Lopez, pitcher; Cortez, short stop; Greenhood, first base; Pujol, second base; P. Berardinelli, third base; John Lopez, left field; Joe Ortiz, center field; Alarid, right field; Mares and Constant, the Baker entry; John Gund and Constant were the public favorites before the race.

The horses with weights and jockeys are:

Bronze Wing, 117, Keogh.  
John Gund, 122, Neryon.  
Ivan Gardner, 122, Dishmon.  
Constant, 122, Waldron.  
Casaurina, 117, Taylor.  
Dr. Samuel, 119, Henry.

**JOHN GUND WINS DERBY.**  
Cincinnati, June 13.—John Gund won the thirty-second Latonia derby daily at the Latonia race course today. Constant, with Waldron up, was second, and Dr. Samuel, piloted by J. Henry, was third. Time, 2:30 2-5.

Bronze Wing and Casaurina also ran.

### THE LITTLE BOY WITH THE CUT POLE SOME-TIMES CATCHES THE BIG FISH

But not usually. He lives along the stream and "just happens to get a 'strange hold' on that old big one."

But for pleasure one eight-inch trout caught with a light rod, with delicate leader and fly, is worth a dozen caught any other way.

You can't always walk along the stream and pick the trout off the stream you are fishing is necessary.

If you are an "old-timer" you know what you want and you will find it in Harry Johnson's stock—rods, reels, lines, leaders, flies, baskets, etc.

If you are new to this section chances are you will want a few changes in your outfit—flies of a different pattern and size, for one thing.

Mr. Johnson's years of tackle selling and fishing in New Mexico dreams has taught him many things about tackle that will benefit you. He is located at 402 W. Central, Albuquerque, and fills mail orders quickly and promptly.

The fly rod that he is selling for \$7.50 will appeal to you if you are an old hand at fly fishing. And if you are new at the game you can't help but do better work and have more sport with it. It is made of six-strands of African Steel Vine Cane, one of the most satisfactory materials ever made up into a fly rod. Very strong and durable. Closely wound, snare guides, cork grip, nickel-plated trimmings, extra tip—everything just as you know it is right. Be also sure rods at all prices from \$1.00 up, everyone a big value.

Forecast of action which would make certain the erection of a handsome Young Men's Christian Association building in Albuquerque, by the Herald yesterday afternoon, was justified at a meeting of the Y. M. C. A. committee on ways and means in the Commercial club last night when E. Putney, of the Putney wholesale grocery house, made an unconditional offer of \$10,000 in cash as a nucleus for the building fund. M. E. Hickey of the Y. M. C. A. committee, appointed some months ago to devise ways and means, announced Mr. Putney's offer, and discussing it later Mr. Putney said he was prepared not only to give the money but to lend all influence and assistance at his command. Accompanying him at the club meeting were his two sons, who he said were typical of the boys and young men of the community to whom the Y. M. C. A. building would be of the greatest use.

With this big cash donation as a basis the men interested in the Y. M. C. A. movement feel sure they will be successful in raising a fund of not less than \$75,000 and probably of \$100,000 with which to build a splendid building in this city. It is thought certain by those in a position to know that the Santa Fe railroad will be willing to co-operate with cash, and several Albuquerque

men of means have indicated a willingness to follow Mr. Putney's lead in the way of large cash contributions.

It is not proposed to make the building fund campaign now, but to postpone it until the fall when a vigorous concerted effort will be made to complete an adequate fund so that construction may be completed during 1915.

The preliminary organization committee named several months ago re-

signed last night in favor of a new committee which will have active charge of the building campaign and which is composed of Mr. Putney, George A. Kaseman, David S. Bogard, P. F. McCanna, and M. E. Hickey.

One of the big features of the METZ "22" is its gearless transmission.

With no clutch to slip

and no gears to trip, it does away entirely with gear trouble.

The METZ "22" is extremely economical in operation.

It travels 28 to 32 miles on 1 gallon

of gasoline. 100 miles on 1

pint of lubricating oil, and often does 10,000 miles on a single set of tires.

The METZ "22" climbs Prosp

per Hill, near Boston, on the

inch speed. This hill is nearly 1

mile long, with a grade of from

5 to 21 per cent.
